

## **Article IX**

### **I - INDUSTRIAL DISTRICT**

#### **Section 901 - Intended Purpose**

The I - Industrial District is designed to preserve and utilize the land most suitable for industrial uses that will or can be made compatible with the use of the surrounding land. The regulations of this district are intended to ensure compatibility with the surrounding districts and to encourage the harmonious and appropriate physical development of the Township. To these ends, the Industrial District is intended to discourage and minimize air and water pollution, noise, glare, heat, vibration, fire and safety hazards and other detriments to the environment. New residential development is excluded from this district, both to protect residences from an undesirable environment and to ensure the reservation of adequate areas for industrial development.

#### **Section 902 - Use Standards**

Uses permitted in the (I) Industrial District shall be subject to the following conditions:

1. Parking, loading, or service areas used by motor vehicles shall be physically separated from all streets by a suitable barrier against unchanneled motor vehicle access or egress. All roads, driveways, parking areas and walks shall be paved and maintained in good condition with hard surface materials.
2. All access roads or driveways shall be located not less than one hundred (100) feet from the intersection of any street right-of-way lines, and shall be designed in a manner conducive to safe ingress and egress.
3. Illumination. All illumination shall comply with the requirements of Section 1312.
4. Landscaping. The entire lot shall be suitably landscaped pursuant to Section 1310 (except for those areas that are covered by buildings or surfaced as parking or service areas). All landscaping shall be properly maintained throughout the life of any use on any lot.
5. Along each property line which is adjacent to a Residential District or lot in residential use, the owner shall be required to maintain a buffer strip ten (10) feet wide which shall be planted with a hedge, evergreen shrubbery or

suitable vegetation to provide appropriate screening against noise, glare, fumes, dust, and other harmful effects. Said buffer strip shall be consistent with any existing vegetation and the permitted use of the adjacent residential property.

### **Section 903 - Permitted Uses**

In a (I) Industrial District, no building or premises shall be used and no building shall be erected, which is arranged, intended or designed to be used in whole or in part, for any purpose except those listed below, and all such uses shall be subject to Land Development Plan approval in accordance with the Penn Township Subdivision and Land Development Ordinance and those regulations specified elsewhere in This Ordinance.
