Facebook: We are Penn Township

Concerned citizens of Penn Twp:

Our township began a forensic audit in May of 2022 to more clearly document how your money was being spent in the past years in our township. To date, our audit is demonstrating where your tax dollars have been spent responsibly, and where clarification is needed. The audit is ongoing and should be completed soon. This update is focused on our fire service and their plans for the future.

Our Board of Supervisors has been meeting rotationally with our fire protection service. Our objective here is two-fold: to better understand the needs of our fire protection service, and also how the Duncannon Fire Company (DFC) is spending the funding received from the township. We have been working to rectify the DFC's past accounting system, as this did not document incoming & outgoing funds as accurately as our taxpayers deserve.

As far as the DFC's future needs: They are proposing to build a larger facility to house both the firefighters and the equipment they rely upon to do their work. They would like this building to be in the town of Duncannon.

At this time, their proposal could cost more taxpayer dollars and donations. The cost for this new facility and updating the facility located along SR274 (New Bloomfield Road) would potentially impact and be charged to Penn Twp and also to surrounding townships which the DFC has served.

And as you know, the DFC relies on volunteers. All across the country, finding volunteers to do this work can be very difficult. The number of volunteers has been decreasing over the years, and things are no different for our township. There is a growing consensus that volunteer firefighters should become paid employees with benefits. Locally, Silver Spring (Cumberland county) is now paying its drivers. Middletown (Bucks County) has a paid fire chief. These employees are paid from tax dollars. To this end, the Board has not yet been presented with an accounting report (number of paid personnel and those costs) or a clear business plan from the DFC.

In summary, there are multiple issues to be pinned down. The DFC does a necessary and often incredibly difficult job. Balancing that with what our taxpayers are willing to provide will take a lot of discussion and compromise. If you would like to weigh in, please email me at: Kpotteigerpenntwp@gmail.com

The following chart demonstrates the different proportions for taxes coming into the Township as if August 2023

The following charts demonstrate the revenue for the Township and the expenses for the Township as August 2023.

HIGHWAY DEPARTMENT

The Highway Road Crew has been busy over the last year, trimming trees and brush along various roadways. This has greatly reduced callouts during windy weather, also reducing possible cable and phone service repairs. Please be attentive of the road crew while driving, there is more to be done.

As we address roadway issues , we are also picking up litter. **PLEASE DO NOT LITTER**. This takes time and we all want Penn Township to be proud of our environment.

2023 Paving Project

Paving on Creek Road from Gambers Corner Road to the new bridge and from Creek Road to Linton Hill Road toward SR 274 (New Bloomfield Road) has been completed. Yellow center lines and berm work will be done in Oct/Nov.

Speed Signs have been done for various roadways. Please abide by the posted limits on our roadways for everyone's safety.

Township Meeting: Subject to Change

Board of Supervisors Meeting: The Last Wednesday of the Month.

Planning Commission Meeting: The Third Monday of the Month.

Park and Recreation Board: The Second Tuesday of the Month.

Municipal Authority: The first Wednesday of the Month. & JOAC Meeting is the Second Wednesday of the Month at the Penn Township Municipal Building and in December, 2023 through 2024 in the Duncannon Borough Building.

Zoning Hearing Board: The second Thursday of the month as needed.

Uniform Construction Code Board of Appeals: The first Thursday of the month as needed.

Fire Tax Committee: monthly as needed.

MUNICIPAL AUTHORITY

We need contact information for water and sewer customers to let everyone know of emergency issues. Please contact the Authority Office to update your information at 717-834-6926.

Please do not flush wipes, grease or other products that may cause damage to your grinder pumps or cause extra repairs at the treatment plant.

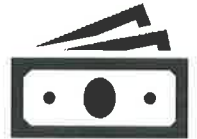

We have new grinder pumps in stock for a discounted price due to quantity purchases. Please feel free to contact the office for additional information.

Sunshine Hill Water Plant has been operating and working well. Please remember to observe state suggestions on water conservation during drought conditions.

Any questions or concerns, please contact the office at 717-834-6926.

The Township Office can now receive payments when the Municipal Authority is **closed**. This service is a courtesy to our residents. The Township Office **cannot** tell balances owed or your account number. The Township Office cannot take credit card payments, only the Municipal Authority can.

NO Commercial and/or Industrial Waste of any type

NO Monitors, Computers or TV's

PERMITS NEEDED IN PENN TOWNSHIP – Do not forget that permits are needed for pools, fences, and any other structure. When in doubt, call and ask. What people do not realize is that if a structure is made without permits, the state law allows the removal of the structure at the cost of the landowner. The Township does not wish to do this. It is just easier to find out if you need one. **NOTE: All permits need an address for issuing. See the Township Secretary if you do not have one.**

- Zoning Permit – A zoning permit is required when any new structure is put on a property, or use of the property is changed. **NOTE: All Zoning Permits now require a copy of the deed of the property that improvements are being made on. And an address if there is not one already.**
- Sign Permit - A sign permit is needed for all new signs, if one business leaves and another comes in, or a business name change.
- Driveway Permit – A driveway permit is needed when you wish to place a new driveway or repave an existing driveway.
- Paving Permit – A paving permit is needed when you go from a dirt or gravel driveway to a paved or repaved driveway. This is to be sure that the driveway ties into the road properly and the swale is maintained for stormwater functions.
- Building Permit - A building permit is needed for the construction of new buildings, additions, and some repairs/alterations within the home. If you are in the floodplain, please put that information on the application.

If you have any questions, please call the Township Office.

CODES

If you have a complaint or concern, please put it in writing. You can mail, drop off at the office, or email it to the Township at penntwp6@ptd.net.

The Codes Officer would like to remind everyone that when the snow comes snow **cannot** be put into the street. This is a safety issue and will help the highway crew to clean up the streets. Violators will be fined.

Mass Notification

Penn Township has now joined RAVE for notifications of emergencies. Please submit your phone numbers to be put on the list. You can submit your cell phone or home phone. Please call the office at 717-834-5281.

Room Rental

Penn Township rents rooms in the township Building for events. The cost is \$80.00 for the large room and \$40.00 for the small room. Please call the Township to reserve a room at 717-834-5281. Beware that the grounds are rented for different events and parking may be crowded. The rooms come with the kitchen and bathrooms.

PARK AND RECREATION BOARD:

Penn Township Park and Pavilions close at dusk unless you have paid to rent the facility. We kindly ask that you notify the office if you need to use the pavilion for a short time. This will ensure it's not being occupied in case of rentals. The price of the rentals are \$80.00 for the Large Pavilion and \$50.00 for the Small Pavilion.

Please follow the Penn Township rules that have been put into place. Thank you for your cooperation. We look forward to seeing you.

HALLOWEEN PARTY

The Park and Recreation Board will be having a Children's Halloween Party on October 21, 2023 from 6:00 p.m. until 8:00 p.m. There will be games, food, a coloring contest, and a costume contest. If you have questions or wish to volunteer, please contact the Township Office at 717-834-5281.

Trick or Treat is on October 31, 2023 from 6:00 – 8:00 p.m.

SENIOR LUNCHESES

Senior Lunches have stopped for the year. They will resume in May of 2024. Please come and join the fun and have good food.

Give-Away

Penn Township Park and Recreation Board is hosting a Community Give-Away on October 14, 2023 from 8:00 a.m. until 1:00 p.m. In the Penn Township Building.

If you have items to donate, please call Karen Tilkens at 717-579-8090.

Give-a-way is open to everyone, first come first serve. There will be no holds.

RECYCLING BAGS

Penn Township are now selling Sylvester's Recycling Bags in the Township Office. These bags are for the dumpster in the front of the Municipal Building. Recycling items can be placed together in bags. The bags are \$4.00 each and 0.25 cents goes to the Park and Recreation Board.

Do not shovel snow from your driveway into the street. You can be held **liable for accidents that result after snow has been shoveled or plowed onto the roadways. If possible, wait until after the street has been plowed before cleaning your driveway opening. Snow should be plowed or shoveled to the right side of the driveway as you are facing the roadway. By being plowed away from the direction of oncoming**

snowplows, this will prevent the bulk of snow being pushed back onto the driveway. There is no way plowing can be accomplished without depositing some snow into the driveway openings.

REMINDER: Keep fire hydrants, storm drains, and mailboxes open.
